Israel 90 mikhail glebov on million israelis staging warning  
strike on sunday against govt's economic policy. new measures,  
sweeping as they are spell further decline in living standards  
and reflect many problems afflicting israeli economy. policy of  
expansionism consumes huge resources and proves more than the  
economy and the ppl can bear. so far israeli govt has been coping  
thanks to american milit aid. (enginter 2100)
